

Warranty

After having been installed according to your local electrical code and by a certified electrician when applicable, and having been used within normal operating conditions, Swidget Corp or your local Swidget Distributor will repair or replace (at Swidget’s discretion) any product that fails due to manufacturing defects for a period of up to 5 years for Swidget Devices and for a period of up to 2 years for Swidget Inserts after purchase or installation (see chart below). Any repair or replacement of defective products will extend the warranty by 90 days or the time remaining on the original warranty, whichever is longer. Post warranty repairs are not available.

Swidget shall not be held liable under this warranty for damage(s) caused by the following: misuse, neglect, improper installation, abnormal operating conditions, unauthorized modifications or attempts to repair, or reasonable wear and tear to the product.

Any claims to Swidget made under this warranty shall not exceed the cost of the repairs or replacement of the product. Swidget.

This warranty only applies to Swidget products purchased from an authorized distributor or online retailer, and as such, Swidget reserves the right to request proof of purchase, and reject claims made through unauthorized distributors.

Please direct all warranty claims to Swidget Corp by telephone at 1-855-202-1144, email at support@swidget.com with subject **Warranty Claim**, or via mail at 677 Innovation Dr #6, Kingston, ON, Canada, K7K 7E6. Each warranty claim or return must be accompanied by a return merchandise authorization (RMA) form provided by Swidget Customer Service.
